I am an SNA Certified trainer, good through July 31, 2014. I am in the process of completing the trainer certification process for Serv Safe, so my status is actually "pending" on Serv Safe, but I will get that completed this week.

I have just been providing training for my ladies here in Lincoln County before now, so I am not aware of what a trainer is supposed to charge. I would certainly expect travel expenses and meeting tuition, if that is acceptable.....Whatever is the going rate for trainers these days. I don't want to be cost-prohibitive, nor do I want to short change myself.

The trainees or their sponsors should be responsible for any training materials that are needed, rent for rooms/training facilities, snacks/refreshments/meals, etc for training. Trainees and/or their sponsors should also be responsible for any fees for certifications.
